The screenshot shows the 'instant harmony' software interface. At the top, there are navigation icons and a 'Harmonize' button. Below that, tabs for 'Arranger', 'Piano Roll', and 'Hybrid' are visible. The main area is a piano roll with a chord sequence: E | E | A | B | B | B | A | A | A | B | B | E | B | E | A | B | E | A | A | B | E | B | E | B. The piano roll is divided into six measures, numbered 1 to 6. The notes are color-coded: red for the melody, yellow for the harmony, and blue for the bass line. Below the piano roll is a control panel with four columns: Mixer, Voice Control, Harmony Settings, and Snapshots. Each column contains sliders for Tune (82%), Drift (100%), Timing (8.88), and Shape (8.8st).
